BOOK SYNOPSIS

The long-awaited follow-up to the perennially bestselling writers guide *Story*, from the most sought-after expert in the art of storytelling. Robert McKee's popular writing workshops have earned him an international reputation. The list of alumni with Oscars runs off the page. The cornerstone of his program is his singular book, *Story*, which has defined how we talk about the art of story creation. Now, in *DIALOGUE*, McKee offers the same in-depth analysis for how characters speak on the screen, on the stage, and on the page in believable and engaging ways. From *Macbeth* to *Breaking Bad*, McKee deconstructs key scenes to illustrate the strategies and techniques of dialogue. *DIALOGUE* applies a framework of incisive thinking to instruct the prospective writer on how to craft artful, impactful speech. Famous McKee alumni include Peter Jackson, Jane Campion, Geoffrey Rush, Paul Haggis, the writing team for Pixar, and many others.
