## BOOK SYNOPSIS

In this Regency adaptation of Jane Austens beloved *Pride and Prejudice*, the simple truth is proven that sometimes a gentleman never knows his heart until a lady comes along to introduce it to him. When Mr. Darcy encounters Elizabeth Bennet injured after a fall, his concern for her welfare cracks the shell of his carefully guarded heart and a charming man emerges. Elizabeth sees an appealing side of him she never believed possible from the stoic, proud master of Pemberley. They find the simple gentlemanly act of assisting her home will best both Mr. Darcys resolve to keep his heart safe and Elizabeths conviction that this is the last man on earth she might have ever been prevailed upon to marry. Soon, falling for Mr. Darcy becomes a real possibility.
